

Jack Gallagher

Web Developer

2905 S. 18<sup>th</sup> Street #R  
St. Louis, MO 63118

### Skills

**Front End:** html5, CSS, Bootstrap, Thymeleaf

**Back End:** Java 8, Springboot, Hibernate, MySQL

**Other:** Git, Github, SQL, Python, Flask framework

### Projects

#### **Disc Golf Marketplace Web-app**

A web-app that allows users to add used discs to the market as well as post information about lost discs.

- Java, Spring, Hibernate, Thymeleaf, MySQL, HTML, and CSS
- Aside from market capabilities, it utilizes Spring Security to allow for secure authentication to the web server
- [github.com/jackpg09/flip](https://github.com/jackpg09/flip)

#### **Blogz**

A school project completed in LC101, it allows users to signup, create, and read blog posts.

- Python, Flask, SQLAlchemy, Jinja, MySQL, and HTML
- Beyond the assigned tasks, I included a feature that allows users to delete, or edit their owned blog posts
- [github.com/jackpg09/blogz](https://github.com/jackpg09/blogz)

### Work Experience

#### **Work Experience**

##### **Green Leaf Procurement - 2017- Present**

- Account Manager
  - Coordinate with regional businesses and provide support for online stores for promotional products and apparel.

##### **Irreco - Office Manager - 2017**

- Operations Manager
  - Successfully led and organized several teams to effectively and efficiently perform various types of landscaping projects. Role involved “on the fly” strategic assessment of route efficiency, work type and team to enable time, gas, and monetary savings.
- Schedule Coordinator
  - Manage efficient scheduling of thousands of commercial and residential clients for lawn care treatment, trimming, mowing, hardscaping and more.

### Education
